16-17-18-19 JULY 1930

U. F. A. GOVERNMENT WILL HAVE MAJORITY OF 17 IN NEW HOUSE—CLEAR SAILING AHEAD—LIBERALS MAKE NET GAIN OF FOUR AND CONSERVATIVES WIN TWO MORE SEATS—U. F. A. LOSES THREE AND LABOR TWO—INDEPENDENTS APPEAR AGAIN IN LEGISLATURE WITH TWO MEMBERS—SHIELD'S MAJORITY 659 IN MACLEOD CONSTITUENCY

Crediting doubtful seats in the Alberta election to the parties whose candidates are now in the lead, the standing of the next Alberta legislature appears likely to be:

	New House	Old House
U. F. A.	40	43
Liberals	11	7
Conservatives	6	4
Labor	4	6
Independents	2	0
Total	63	60

Doubtful Seats

Liberals are leading in Beaver River and St. Paul by fairly good majorities, and it appears fairly safe to place these two seats in the Liberal column, the winners being Joseph Dechene and Capt. Dakin, respectively. Athabasca, which was still in the doubtful column yesterday, goes into the Liberal column. F. R. Falconer having apparently

ly defeated J. W. Frame, U. F. A., but last year a Liberal member of the house for that seat.

The Lacombe seat is no longer in doubt, Hon. Mrs. Irene Parby having won over J. R. Mackie, independent.

Red Deer, where G. W. Smith, U. F. A. was given a hard run by W. E. Payne, Conservative, is placed in the U. F. A. column, though there seems to be some doubt about the final result.

In Peace River, Charlie Frederickson, Peace River publisher, is giving the U. F. A. candidate, William Bahly, a hard run, the U. F. A. man seems to be likely to win.

On Friday the Edmonton situation had not cleared up, but during the night the representation was decided as Hon. J. F. Lymburn, U. F. A., W. R. Howson, Liberal, J. L. Gibbs, Labor, and D. M. Duggan, leader, Col. Weaver and Mr. Atkinson, Conservatives. W. W. Prevey, the former Liberal member in the legislature for Edmonton, was defeated.

Liberals Gain

Liberals have apparently made four gains in the new house. They captured Pincher Creek, Wetaskiwin, Beaver River, St. Paul and Leduc, and gained an extra member at the expense of Labor in Calgary. They, however, lose the Bow Valley seat to an Independent

J. W. McDONALD, B.C.L., L.L.B., K. C.

"I desire to thank all friends who voted for me and supported me in the recent election. To these people I feel exceedingly grateful, and particularly in view of the fact of my absence from this constituency during the major part of the campaign."

"The general results throughout the Province have been beyond the earlier expectations of the Party Leaders. The U. F. A. majorities in general are very much smaller than in former elections. With regard to the local situation I have no word of complaint or recrimination."

J. W. McDONALD.

and have lost St. Albert, where the U. F. A. captured the riding from Lucien Boudreau. Thus the Liberals have a net gain of four, increasing their membership to 11.

The Conservatives made a gain of two, electing an additional member in each Calgary and Edmonton, giving them three in each of the multi-member city ridings.

Labor comes out of the campaign with a net loss of two seats, losing one in Calgary and the Rocky Mountain seat.

Independents appear in the House with two members, gained at the expense of the U. F. A.

The government forces will number three less in a house three larger than they did last time. They will have 40 members unless there is some upset in the ridings now somewhat in doubt. This is three less than in the last house. These losses have been to the Liberals.

The government majority

LIGHTNING STRIKES FEW YARDS AWAY FROM ROYAL BOX AT ASCOT

Ascot, Eng., June 18.—Panic swept through the throng of fashionable persons at the Royal Ascot race meeting today when a sudden terrific electrical storm broke over the enclosure and a bolt of lightning struck and killed Walter Holbeir well known north of England book-maker, in Tattersall's betting ring, only a few yards away from the king and queen and their royal guests.

Society women, caught in a rush for a shelter when deluge descended upon the throng, were thrown to the muddy ground and trampled under feet.

Hats were knocked off, parasols were lost and some of the women arrived at the stands without their slippers which had been left behind, stuck in the mud or torn from their feet.

GLORIA SWANSON'S VOICE DEBUT HERALDED IN "THE TRESPASSER"
NOTABLE SINGING AND DIALOGUE EFFORT PROMISED IN EMOTIONAL DRAMA OF CHICAGO HIGH LIFE—VITAL PLOT OF MODERN SOCIAL CONFLICT GIVES STAR HER MOST AMBITIOUS ROLE—THURS.—FRI.—SAT.—

Gloria Swanson's voice, object of greater anticipation among motion picture fans than any other voice in film-dom, is heard for the first time in "The Tresspasser," her latest United Artists picture.

Miss Swanson both sings and talks in this new opus. Her spoken lines are the more effective because "The Tresspasser" is a play of modern life constructed to meet the requirements of the new screen medium, rather than a story designed for a silent picture, into which dialogue has been injected.

Her singing likewise is expected to be highly appreciated, because the two songs she offers interpret the mood of the story and sustain its tempo, instead of disrupting its trend of thought.

In addition to serving as the medium of her vocal debut, "The Tresspasser" presents Miss Swanson once again as a woman of fashion, with a wardrobe of gowns, wraps and negligees which are ultra modern in every detail.

"The Tresspasser," which will be the attraction at the Empress theatre beginning Thursday is a drama of the moment. Its setting is Chicago; its environment, the "smart set." And through its intimate study of a girl who becomes a trespasser in this restricted social sphere and in the lives of its

Empress Theatre Programme

THURS.—FRI.—SAT.—
GLORIA SWANSON in her greatest production—
"THE TRESPASSER"

A stirring tale of a woman's great sacrifice and heroism. Undoubtedly one of the finest Talking Pictures on the screen.

You will come away from this picture thrilled and heart-warmed. Here is a tremendous heart epic.

The management personally recommend this picture to all patrons.

MACLEOD ELKS CARNIVAL—JULY 16-17-18-19, 1930—THE BIG EVENT OF THE SEASON—BIG PRIZES EACH DAY—CAPITAL PRIZE OF \$250.00 IN GOVERNMENT BONDS—BIG DANCE EACH NIGHT IN ELKS HALL—COME AND HAVE THE TIME OF YOUR LIFE

The Macleod Elks are again holding their Annual Carnival and Frolic on July 16-17-18-19 at the same old stand. This year they are giving as a Grand Prize \$250.00 in Government Bonds to the holder of the lucky admission ticket, every night they will give \$62.50 in 3 prizes of \$12.50, \$20.00 and \$30.00 to the holders of lucky tickets which have been given in as admission to the show, on condition that they are present on Midway or Dance Hall when the name is called. 1st prize will be drawn at 9.30—2nd at 10.30 and 3rd at 11.30 each night and at 11.50 Saturday night the Grand Prize will be drawn—all ticket holders whether present on the Midway or not are eligible for this Prize—every admission ticket purchased makes your chances of winning this wonderful Prize just that much better. "The cause is a good one so buy lots."

The Carnival itself is under the personal management of Past Exalted Ruler D. W. Davis and he has to help him the best group of willing workers ever named for putting the Carnival over Bigger and Better than ever before.

The Prizes have all been carefully purchased and everybody is assured of their money's worth no matter where they play their luck, everyone of the four big nights—On the Midway you will find Indian Blankets, Jungle Robes, Polychrome Bridge Lamps, Ma Dolls, Pyjama Dolls, Walking and Talking Dolls, both ladies and gents Bath Robes, Tapestry Runners, Rabbits, 23-Piece Tea Sets, while in the Houseie Houseie Stand under "Bill" Field we will have—Clocks, Trays, Kitchen Pieces, Electric Lamps, Toasters, E. P. N. S. Ware, Water Sets, Dolls, Mexican Hats and many other useful articles.

The Old Serg. Major will be there and Leading Knight Dixon and his Hot Dogs—(Special arrangements have been made for all the towns surplus dogs and the Chief has guaranteed there will be lots).

The dance in the Elk's Hall will be conducted in a slightly different manner this year, a straight admission charge of Ladies 50c and Gents 75c will be made, with this arrangement it will mean a more satisfactory dance for the dancers and the music will be the best ever, it will be under Lecturing Knight Eddie Thompsons supervision, so you can rest assured it is going to be good.

Everybody knows the charitable work the Elks do in the community at large, they do not advertise what they do, that is the reason it is done so well and why they have the public support in their Annual Carnivals knowing that the goods received are good and the money made is expended in the best possible way. The Band will be in attendance every night, join the crowd and take in the Frolic and Dance.

people, the story delves into vital affairs of life. Miss Swanson, in her portrayal of "Marion Donnell," is supported by established players of both stage and screen. The leading man is Robert Ames, who has been extremely popular on Broadway. He portrays "Jack Merrick" whose romance with "Marion Donnell" indelibly stamps her as "The Tresspasser."

MARION DAVIES TAKES AUDIENCES BY STORM—MON.—TUES.—WED.—

With all the ingredients for a modernized light opera, "Marianne" scored a distinct triumph when it was presented by Metro-Goldwyn-Mayer as Marion Davies' musical-talking feature debut.

This is the most tuneful talking film yet to reach the screen without suffering an infringement upon its dramatic values and it sparkles with a romantic charm seldom approached in any other entertainment medium.

For Miss Davies, this new sound feature is a personal triumph. She essays a most difficult role, entirely in French and broken-English dialect, and negotiates her song numbers in splendid voice. Lawrence Gray, who plays opposite her as her doughboy sweetheart, is surprisingly lyrical of voice and their love song scenes together are nothing short of magnificent.

Robert Z. Leonard, who directed this romantic comedy of post-war France, did so with a keen appreciation of the value of the musical interpolations. At no time does he allow them to hamper his swiftly-moving plot but, instead, makes them "work" for his bristling dialogue and action.

The love ballad, "Just You—Just Me," is a sure-fire hit and the theme song, "Marianne," is bound to be popular.

TRAVEL AND EXPAND

The Canadian Chamber of Commerce adopts travel as one of its first principles in recommendations to the Chambers' congress in London. The travel, it urges, should be under Chamber auspices.

Travel has no rival as an international, inter-provincial or inter-city business getter. Travel brings home the picture as no other means will. A single trip will do more than years of correspondence.

Great Britain trains her kings by the medium of travel. The Pope travels by proxy, keeping direct contact with all parts of the Roman Catholic world through cardinals. Modern statesmen conduct important affairs in person, leaving

lessor matters for correspondence.

Travel by Canadian ministers has resulted in treaties and trade agreements with countries all over the world. But time is too valuable for hit-or-miss travel. Points of contact are needed everywhere. Chambers of Commerce, better than any other medium, can furnish those contacts.

OLIPHANT CONDEMNED TO DEATH — SLAYER OF MILK RIVER CHINAMAN IS FOUND GUILTY

Charles Nicholas Oliphant was, on Wednesday afternoon, condemned to be hanged in the Lethbridge jail on September 10 for the murder of Long Ling Sing at Milk River on the early morning of March 18. This was the sentence of Mr. Justice Tweedie, imposed in keeping with the law. Whether the sentence will take effect rests on the clemency of the governor-general, to whom the plea of mercy, strongly recommended by the jury, will be forwarded by his lordship.

SOLLOWAY, MILLS ARE BOTH GUILTY, FINED AND JAILED

Calgary, June 24.—Convicted on four counts of conspiracy, Isaac W. C. Solloway and Harvey Mills, his partner in the brokerage firm bearing their names, were fined an aggregate of \$250,000 and sentenced to jail terms by Mr. Justice William C. Ives, at the conclusion of a three weeks trial late Monday. Solloway received the heavy

penalty, being fined \$225,000 and sentenced to four months in jail at Lethbridge, or additional imprisonment of 23 months in default of fine payment. Mills was fined \$25,000 and imprisonment of one month in Lethbridge jail, or if he defaults payment of the fine, 23 months in jail.

Defense counsel announced that an appeal would be entered. Early last evening, the accused paid their fines, Solloway's totalling \$225,000 and Mills, \$25,000, and they were released on their former bail—pending the hearing of an appeal, notice of which A. A. McGillivray, K. C., leading defense counsel, filed immediately upon conviction.

CONSERVATIVES WIN IN NEW BRUNSWICK

St. John, N. B., June 19.—Complete results of the New Brunswick elections today follow:

Government, 31; Opposition, 17; total 48 seats. Wendell P. Jones, opposition leader, was defeated in his constituency of Carleton. Hon. J. B. M. Baxter's government therefore goes back into power though with a considerably reduced majority. The standing of the last house was 35 Conservatives (government), 11 Liberals, (opposition) and two vacant.

SUPREME COURT AT MACLEOD

A special sitting of the Supreme Court was held at Macleod on Monday with His Honor Chief Justice Simmons on the Bench.

There were only two cases on the docket, one criminal and one civil.

The criminal case was first called, Rex vs. Tom Escape. The accused, Tom Escape, a Peigan Indian, was charged with attempted murder, by shooting at Charles Crow Eagle. The accused pleaded guilty to shooting with intent to do bodily harm, and the charge was reduced to that from a charge of murder. His Honor sentenced the accused to five years in the penitentiary for each offence, the sentences to run concurrently.

J. D. Matheson, K. C., Macleod was solicitor for the Crown and H. O. Ostland, K. C., Lethbridge, for the accused. The civil case was Riding vs. Snider. This was an action for balance of wages as farm manager at Stavely, with a counterclaim for damages for negligence. J. D. Matheson, K. C., for the plaintiff, and Mr. Crozier, of Jamieson, Snider & Co., Calgary, for defendant.

After hearing all the evidence and the addresses of the learned counsel, His Lordship, Chief Justice Simmons, dismissed the counterclaim, and reserved his judgement on Riding's claim for wages.

Opportunity just seems far away because nobody in your home town is content to knock just once.

Patience is the quality a man thinks he has when he is too lazy to give a darn.

UNITED CHURCH—MACLEOD

"HOLT" COMBINE IS NOW "CATERPILLAR"—SEVENTY-FIVE YEAR WORKING HISTORY OF COMBINED HARVESTERS BACK OF "CATERPILLAR"

A change in the name of the Holt Combine to "Caterpillar" Combined Harvester, was announced by Union Tractor & Harvester Co. Ltd., dealers for "Caterpillar" Tractors and the newly-named "Caterpillar" Combined Harvester in Central and Southern Alberta.

The new name is given to the combine which has an 85-year working history back of it, 75 in California. California, a new land of the '49 gold strike, was so weighed down by high prices for even the commonest articles that anything which suggested a cheaper method of producing the needed food supplies was eagerly tested. That is why California led in the development of harvesters from the imported Michigan machine of 1854 to the present day.

Stockton, California, became the center of the harvester industry. It is here that such features as link belt chains, the first side hill combine, the first

A McGregor, R. Macleod, R. F. Smith and W. C. Sherman were business visitors in Shelby, Montana, last Monday.

Mr. and Mrs. P. Deman and son Leonard, accompanied by Mr. and Mrs. W. Diett, of Calgary, motored to Red Coulee Sunday.

Bert Wolf, one of the staff of the Canadian Bank of Commerce at Black Diamond, was a Granum visitor over the week-end.

Mr. and Mrs. W. Diett, of Calgary, were visitors at the home of the latter's parents, Mr. and Mrs. P. Deman, over the week-end.

Mr. and Mrs. Pete Deman and son Edward spent the week-end in Calgary visiting Mr. and Mrs. W. M. Diett and Evelyn Deman.

J. C. Brown's hand is now improving and it is hoped that he will soon recover the full use of that member which has given so much trouble.

Mrs. A. McGregor attended the W. M. S. in Nanton on Friday, where she gave a branch report of the W. M. S. Convention held in Edmonton last May.

EVERY WEDNESDAY
MRS. WHITEHEAD.

Mr. and Mrs. Knowles, of Calgary, who have spent their vacation at Granum and Waterton, returned Sunday to Calgary accompanied by Mrs. J. Clarke.

At the United Church School Picnic on the 1st of July at McLean's Crossing another added attraction for the picnicers will be a baseball match between the Carnforth and the Granum Trail Rangers. It is hoped that Carnforth and Northern Light will also be represented well at this event. Since Daley Creek School pic-

nic takes place that same day it will not be possible to have their presence.

Dinner guests at the home of Mr. and Mrs. G. Goeson Sunday were: Mr. and Mrs. E. Turner, Mr. and Mrs. C. G. Marsh and Mr. and Mrs. S. Goeson.

D. A. Boyle was a Calgary visitor Wednesday. Mrs. J. E. Boyle, who has been visiting Mrs. F. N. Sandgathe at Calgary, returned to Granum with Mr. Boyle.

An Evangelistic Service will be held in the Jumbo Valley School House on Sunday, June 29th. Mr. John Smart, of Victoria, B. C., will address the meeting, the subject being "The Gospel of God."

A. S. Peebles, C. H. Wells, W. H. Wales and C. F. Carswell were participants in the Golf Tournament at Macleod last Sunday. Their scores were excellent but by an oversight they failed to register and thereby lost out.

Once again the annual Daley Creek Picnic at the Old Man River Tuesday, July 1st. There will be good prizes and sports of all kinds. Events start at 1.30. Refreshments will be sold on the grounds. Everybody come—come and enjoy a holiday.

A wedding of much interest to Granum people took place at Knox Church in Calgary on Friday, June 20th, when Edna Harman was united in marriage to Stanley, eldest son of Mr. and Mrs. G. Goeson. The newly married couple will reside in Turner Valley.

Miss Helen Jell expects to leave on Saturday for Rocky Mountain House to spend a week with Miss Lois Little (who is teaching there) before going to Edmonton, where she will attend summer-school. Miss Jell is taking a special course in primary work.

On Thursday, June 19th, Miss L. Lammle, teacher at Rocky Coulee, had a very pleasant surprise at the home of Miss Isabel Munro, when a few of her girl friends gathered, giving a party in her honor. The afternoon was spent in music and games, after which Miss Lammle was presented with a lovely three-piece set of French Ivory. A very dainty lunch was then served by the hostess. The girls all departed looking forward to the beginning of the fall term when Miss Lammle will return to spend another year in the district. Those present were: the Misses Lammle, Hause, Burt, Ethel Alward, Nola Knutson, Mildred Heward, Gertie Gilbo, Dorothy MacKintosh, Anna-

GOODYEARS ONLY

Here's the Reason

We know tires. For years we've watched every make of tire in actual service. We've seen what it gives for its cost.

Our policy of selling only Goodyears is based on such experience. We've proved time after time that Goodyears give longest, most satisfactory mileage. We've proved the sturdiness of Goodyear Superwrist Cords and the great traction of the All-Weather Tread.

We make a smaller single profit on Goodyear tires. But we gain through their quality selling more tires. And the complete Goodyear line gives us a tire and size for the particular need of every customer.

McCORMICK-DEERING NEWS

"Good equipment makes a good farmer better"

Published by
C. E. TWEED
The Farm Equipment Man

House Phone 41 Office Phone 137

PLAY SAFE!

SELECT THE McCormick - Deering

When you are buying a combine, remember that only one harvester-thresher can trace its ancestry back to the Original Reaper. It is the McCormick-Deering, and we have it.

The McCormick-Deering No. 11 Harvester-Thresher cuts 25 to 50 acres a day and threshes the grain cleanly with minimum waste. It eliminates large crews, equipment, and twine bills. Two men handle it easily.

Nearly complete separation occurs at the cylinder. The 4-section straw rack has risers with pins that comb the straw apart and shake out every particle of grain. The double shoe sieve and recleaner thoroughly clean the grain. A revolving weed screen separates and bags the weed seeds. The 4-cylinder auxiliary engine that runs the harvester-thresher is the same easy starting and economical engine used in McCormick-Deering Tractors. It is especially adapted to the harvester-thresher.

You are invited to come in and investigate this machine on our floor.

STRAWBERRIES

\$3.50

The hot weather in B. C. has brought the Strawberry crop along so fast that the growers now claim that the peak of production for the season will be reached this week-end.

This means that Strawberries will be a thing of the past almost by the end of June, the time they usually are at their peak. The price is down to rockbottom at \$3.50, a price determined not by the volume of the crop but by the necessity of moving the crop quickly on account of the forced ripening.

It is quite probable that the price will advance when the peak of production is past.

THE WHITE HALL

Macleod Local and Personal News

Mrs. E. McCrackan, of Macleod, has as her guest this week Mrs. G. A. Davidson, of Revelstoke, B. C.

Edwin Johnson, of the lumber mill at Beaver Creek, was a business visitor in Lethbridge last Saturday.

J. M. Cregar, barrister, Calgary, was attending the Supreme Court in Macleod on Monday and Tuesday.

Mr. and Mrs. George Entenline, of Carmangay, spent Sunday, June 15th, as the guests of Mr. and Mrs. N. M. Russell.

A number of Macleod business men attended the Water-ton Lake National Park Board of Trade get-together dinner on Wednesday evening at the Prince of Wales Hotel. Among those who went were: Mayor

J. Swinerton, Dr. O. F. Fanset, F. P. Walshe, T. B. Armstrong, W. Cockram, N. S. Kirk, H. C. Winter and J. W. Morecash.

Mrs. A. Dufour, now of Cranbrook, formerly of Macleod, was a visitor here last week renewing old acquaintanceships.

His Honor Chief Justice Simmons, of Edmonton, was in Macleod on Monday and Tuesday presiding over the sittings of the Supreme Court.

Miss Barbara Kennedy, daughter of Dr. and Mrs. Alan Kennedy, has arrived in Macleod from school in Ottawa, to spend the summer holidays.

The Dance Orchestra from Salt Lake City, Utah, will start their summer engagement at the Pavilion, Water-ton Lakes, on Saturday, June 28th.

Miss Annora Brown, of the staff of Mount Royal College, Calgary, is spending the holidays at the home of her parents, Mr. and Mrs. E. Forster Brown Macleod.

Corpl. J. Cawsey, A. P. P., of Pincher Creek, was in Macleod on Monday attending the sittings of the Supreme Court in connection with the shooting case at the Peigan Reserve.

J. F. Canning, farmer, Willow Creek, was a business visitor at Calgary last week-end, and while there had a round of golf on one of the golf courses of the city.

W. D. Spence, of Edmonton, chairman of the Provincial Assessment Commission, accompanied by John Gair, Edmonton, president of the Municipal Districts Association of Alberta, were in Macleod on Tuesday, and paid a visit to H. W. Bright at the Bright Municipal Offices. W. D. Spence until

Gum-Dipped Cords Stand the Acid Test

Even though Firestone cords are of superior strength and elasticity before they are built into Firestone Tires, they go through the Gum-Dipping process for added strength and endurance.

Gum-Dipping—exclusive to Firestone Tires—saturates and insulates every fibre of every cord in the tire. This prevents the cords from chafing against each other and eliminates internal friction and heat—the greatest enemy to tire life.

Thus Firestone Gum-Dipped Tires have double reasons for their toughness, ruggedness and unequalled mileage—by actual test they hold all world's records for mileage and endurance! Specify Firestone Gum-Dipped Tires on your car. See your nearest Firestone Dealer today.

recently was for many years Deputy Minister of Municipal Affairs for the Government at Edmonton.

Miss Margaret Reid, of the post office staff, went to Waterton Lakes National Park on Tuesday for a few days as the guest of Mrs. A. T. Leather at Mr. and Mrs. Leather's cottage at the Park.

Rev. Dr. Endicott, D.D., Associate Secretary of Missions of The United Church, who preached in the United Church, Macleod, last Sunday at 11 a. m., was the guest of Mr. and Mrs. W. G. Andrews while here.

J. W. McDonald, K. C., of Macleod, Liberal Leader, has been invited by the town of Cardston to deliver the Dominion Day address at the Cardston celebration on July 1st. The town of Cardston is noted for their Dominion Day celebrations—it is one of the big days of the year for the Southern City, when the people from all the surrounding country flock into town to take part in the sports and other celebrations of the day.

Dr. O. F. Fanset, dentist, Macleod, was nominated Monday for the vacant seat on the Macleod Town Council caused by the resignation of J. W. McDonald, K. C., as Mayor, and the election by the council of councillor John Swinerton as Mayor. Dr. Fanset was nominated by J. W. McDonald, K. C., W. A. Day and A. F. Grady. There were no other nominations and Dr. Fanset was declared elected to fill the balance of Mayor Swinerton's term which expires in February 1931.

Miss Irene Young, daughter of Mr. and Mrs. James Young, Macleod, who has for the past year been studying pianoforte and harmony under the tuition of Mr. M. Langdale, of Lethbridge, last week received her diploma as Licentiate of Associated Board (Solo Performers) of the Royal Academy of Music, London, England. Miss Young, who is only seventeen years of age, is one of the youngest in the Dominion to have attained the above diploma. Miss Young will be heard in recital at the Marquis Hotel, Lethbridge, on Monday, June 30th, when Mr. Mellor-Langdale's pupils will receive their diplomas and certificates.

The following from The Calgary Albertan of June 21st, refers to a brother of Mrs. Carl Edlund, Macleod: Word has just reached the city that George L. Edgett, 1722 Eleventh Avenue west, has received the degree of Doctor of Philosophy at the University of Illinois, Urbana, Illinois. Mr. Edgett received his preliminary education at the Sackville, New Brunswick, High School, and entered the Mount Allison University of the same city in 1917, graduating with honors in mathematics. After graduation he came west to teach school. He was connected with the staff of Mount Royal Col-

lege in Calgary. Since 1926 he has been doing research work in mathematics. Dr. Edgett goes to Queen's University, Kingston, Ontario, as lecturer in mathematics.

There is a persistent rumor that water meters may be installed in Macleod as a matter of economy in connection with the water situation which now involves the biggest local expenditure in the administration of the town's utilities.

Mr. and Mrs. Hind, of Calgary, were week-end visitors in Macleod, the guests of Mr. H. W. and Miss Bright. Mr. Hind returned to Calgary on Sunday night, but Mrs. Hind is spending two weeks in Macleod before returning home.

The first round in district No. 1 of the Calgary Herald's golf competition was played under ideal weather conditions at Macleod over the week-end with some 50 players competing. T. Turnbull of Macleod, was leading at the close of the opening round with a score of 170. He was closely followed by T. Marshall of Lethbridge with 171 and by Jimmy Haines also of Lethbridge with a card of 176. Syd Wallis, who has been champion of this district for the past three years is not competing this season although he went around the course in 174. According to the rules governing the play no golfer who has been champion for two years is eligible to compete again. The second round is scheduled to take place in Lethbridge at the Henderson Lake course on June 29.

WHIPPING CREAM—AND THE HOUSEWIFE

There is one failure that no housewife will take the blame for, and that is her inability to whip cream successfully. In her opinion, it is always the fault of the cream. And the dairy industry could save itself a lot of grief by spreading more information about whipping cream.

The type of whipper is a factor of great importance. An egg beater is not a cream whipper. A turbine type of whipper has been found the most satisfactory. In the turbine type, the blades revolve at the bottom of the bowl.

Cream should be whipped rapidly. Two or three minutes should be a good average time. Whipping should be stopped at the right time, for whipping is the first stage of churning. With a little too much whipping, the whipped cream will be lumpy with a large amount of milk draining from it. It is not necessary to whip cream just before using it, as it will keep in a cold place.

One of the most important factors of all is temperature. The temperature of the cream at whipping time should be forty degrees, if possible; certainly not above fifty. But the average housewife knows none of these things, because she has not been told, and when the cream doesn't whip as it should, she blames the Milk Man.

People who think rules can humanize warfare should observe that we have traffic rules.

Rayon is taking the place of silk, but milady's finery still is provided by a worm.
